

Foreign Affairs Manual

14 FAM – Logistics Management

Change Transmittal: LOG-65

Date: September 22, 2009

14 FAM 610 TRANSPORTING EFFECTS

Changes

1. Subchapter **14 FAM 610 Transporting Effects** was revised by adding a paragraph to 14 FAM 612.3-3 which simply adds an existing policy located in 14 FAM 700 and emphasizes that policy in another location making it easier to find and providing better visibility.
2. Change transmittal has replaced the term, Transmittal Letter. Change Transmittal was selected as being more appropriate in this age of electronic information transmission. The FAM volume's transmittal acronym and numerical series remains in place.
3. Revisions since the last update appear in *italics* and *dark magenta*. Other than formal titles, the italics will be removed the next time the material is updated. Only current changes will appear in italics. Italics provide a historical record of changes.
4. Officers are reminded that Department-issued materials not codified in the Foreign Affairs Manual or its supplemental Foreign Affairs Handbook series generally have no regulatory validity (see 2 FAM 1115.2).
